RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Hello my dear liberal friends on the LEFT! Wow, I can hardly believe all the great things Diaper Joe and his Jamaican Ho are accomplishing! Ten's of thousands of jobs down the the toilet on the first day and counting! Kamel Face HairyAss is now conducting business with foreign leaders because Diaper Joe is doing good not to put his used DEPENDS on his face. Schumer and Pelosi have rammed through some thing that they call the Chinese Virus Relief Program. Most of the public don't understand that only 9% of the 1.9 Trillion will actually go to help individuals that are out of work and thousands of business owner who are gone forever or will probably fail in the next 60 days. Foreign oil producers are applauding Biden for his support in killing American energy business. This is going to put hundreds of billions back in their pockets! Our enemies applauded when Diaper Joe made the announcement that American is back! Yes America is back to the end of the line. If you say America First you are a White supremacists, a bigot and a racist! You are about to be punished really good for having supported and voted for Donald Trump. Putin and Xi are playing spin the bottle to see which one will go first to teach America how to grab ankle and play, "BEND OVER BETTY!" I hope that the Stupid, Ignorant Bastards who voted for Diaper Joe and his Jamaican Ho are the first to have the opportunity to eat their family pets. I have a cook book on preparing and serving dogs and cats. The recipes are so good your children will probably not recognize the family pet! You can make up a story after dinner how FIDO and Fe Fe are on vacation!

I promise not to tell your children the truth!
