**RENTAL NEEDED**

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

**"UNSPOKEN THOUGHTS"**

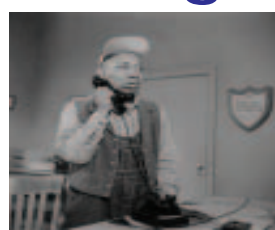

Hello my dear liberal friends on the LEFT! Wow, I can hardly believe all the great things Diaper Joe and his Jamaican Ho are accomplishing! Ten's of thousands of jobs down the the toilet on the first day and counting!

The Jamaican HO is now conducting business with foreign leaders because Diaper Joe is doing good not to put his used DEPENDS on his face. Schumer and Pelosi have rammed through some thing that they call the Chinese Virus Relief Program. Most of the public don't understand that only 9% of the 1.9 Trillion will actually go to help individuals that are out of work and thousands of business owner who are gone forever or will probably fail in the next 60 days. Foreign oil producers are applauding Biden for his support in killing American energy business. This is going to put hundreds of billions back in their pockets! Our enemies applauded when Diaper Joe made the announcement that American is back! Yes America is back to the end of the line. If you say America First you are a White supremacists, a bigot and a racist! You are about to be punished really good for having supported and voted for Donald Trump. Putin and Xi are playing spin the bottle to see which one will go first to teach America how to grab ankle and play, "BEND OVER BETTY!" I hope that the Stupid, Ignorant Bastards who voted for Diaper Joe and his Jamaican Ho are the first to have the opportunity to eat their family pets. I have a cook book on preparing and serving dogs and cats. The recipes are so good your children will probably not recognize the family pet! You can make up a story after dinner how FIDO and Fe Fe are on vacation!

I promise not to tell your children the truth!

## New guests weekly!

Trevor's Happy Hour Friday 3/26 EBONY SHOWCASE THEATER with Valarie Stewart about her parents Nick and Edna Stewart. This Friday on Trevor's Happy Hour our guest will be Valarie Stewart. We will be talking to Valarie about her fathers legacy..... Nick Stewart (the voice of Brer Bear in Disney's Song of the South/the character Lightnin' in Amos 'n Andy TV show), who with his wife Edna Stewart, founded the historic Ebony Showcase Theatre in 1950. Nick Stewart was an African American actor who founded Los Angeles' Ebony Showcase Theater. He was born Horace Stewart in Harlem, briefly trying his luck at boxing, took to tap dancing, and later made the rounds as a stand-up comic. Stewart used various names, including Nicodemus Stewart, in a career that began in the 1930s and lasted for decades. He made his first movie appearance in 1936's Go West Young Man. The voice he contributed for the character of Br'er Bear in the 1946 animated film Song of the South lives on in Disneyland's "Splash Mountain" ride. But his life's work was with the Ebony Showcase Theater, which he and his wife, Edna, founded in 1950. It gave Blacks a chance to play non-stereotypical roles and show them as actors. Sometimes they were all Black casts, other times they were integrated casts. The Black stereotypes of Amos 'n' Andy have long since come under criticism. Of her father's role, Valerie Stewart said he was a pioneer who came up from the streets of New York and it was "a part that was a steppingstone that enabled so many thousands of people to get opportunities."The Ebony Showcase Theatre and Cultural Arts Workshop, Inc. is a 501(c)(3) non profit charity that has helped thousands of people of all ages and backgrounds from 1950 to the present.
