RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Hello, hope everyone had a wonderful and safe Easter weekend. It is the time of year when we should be grateful for all the wonderful things that our faiths in God had influenced our lives for over 2,000 years.

I would like to tell you a short tale of a 2 year old little girl who has been forgotten by the nation. This little girl has started out life as the daughter of a stripper. Her father is a crack head and doesn't pay support. This little girl's grandfather is the President of what was the most powerful free nation in the world and history! Yes, not a joke. Her father is Hunter Biden and Diaper Joe is her grandfather. Can you imagine how the press and the corrupt media would be attacking Donald Trump if it was one of his sons or involved in this? We are now entering a place that the left (Satin) has been pushing for over 60 years hard and heavy. If the good God fearing people of this nation don't rise up and put fear in the corruption we are doomed. China owns the Biden family, family jewels and all! The Iranians are on board with our destruction and Putin is flexing his muscles to start to take back the area that was once the U.S.S.R.. All the green new deal garbage is nothing more that a bucket of shit with whipped cream to make it look more appealing. The only thing missing is the cherry! Kamala Harris is drunk on power or maybe still hitting a bong? Not sure? Could you imagine the outcry from the left if is was Mike Pence behaving like her when asked a question? To all of you who voted Democrat, I hope with all my heart that you loose everything you worked for to an illegal!
