RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

AL 626-347-9682 or 626-364-9423

TREVOR'S HAPPY HOUR
 CALL IN 714-798-9806 WWW.TREVORSHAPPYHOUR.COM

New guests weekly!

THIS WEEK 5/7 on TREVOR'S HAPPY HOUR we will revisit our interview with former two-time Cy Young Award winner and the last man to win 30 games in Major League Baseball, DENNY McLAIN. Denny McLain's 1968 season, "the year of the pitcher", turned in one of the best single-season performances by a pitcher in Major League Baseball history. The 24-year-old was 31-6 with a 1.96 ERA and won the American League Cy Young Award as well as the American League MVP Award while being selected to his second All-Star Game. McLain also anchored a staff that went on to lead the Detroit Tigers to a World Series victory over the Bob Gibson and the St. Louis Cardinals. McLain is one of two men to reach the 30 win mark since 1934. With The 2015 World Series in just a few days Denny will break down the Series and give everyone some great stories about his role in winning the 1968 World Series. He might even give some lessons with his musical genius.

LISTEN LIVE at www.trevorshappyhour.com
Call in 714-798-9806

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Once again the corrupt media shows it evil in lies to the American public. Diaper Joe Biden said that if he won the Presidency that no one in his family would have business dealings in foreign countries or their corporations. Well, Meth Head Hunter is still money off the Chinese Corporation, Diaper Joe lied to us one more time. When Jen Circle the Wagons Sucked one was asked about this she defended Meth Head Biden's rights as a private citizen to be able to pursue his dreams. If this had been any of the Trump children you would have heard the Left screaming about another investigation, impeachment and prison terms. Why in America did we ever allow the bottom feeding degenerate Left get such control over our lives, our thoughts, our freedoms? Our children are being brain-washed on a daily basis that Mom and Dad are wrong and racist. We have allowed a bunch of shit bags to steal an election and laugh in your face. They defy you to step forward and do anything about it. They plan to steal every election coast to coast. The real racist in this country are in the Democrat Party. Color isn't an issue, they all are on board with our demise. Pelosi, Waters, Schumer are just the top of the heap. When you go down the line you see the Democrat Party attacking all the values that made this nation the most uniquely governed in the world. The world hates us for our success. The Democrat Party wants us back in line for the One World Order. One World Order will not only bankrupt us they will bury us. We will be just a footnote in some future history book about how the Devil did come to earth and put his evil agenda in the minds of the ignorant.

We are BACK!

Hunter Biden gets another free pass from the media! If it was Trump's sons they would destroy them!

The media, corrupt criminals that they are, give Hunter a pass and say his business in China is not our concern!
