RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

The peace deal Trump put together in the Middle East is falling apart faster than a Chinese made tricycle. The scary part is all the idiots in our country who think Diaper Joe Biden is doing a great job!!! Let's take a look at his record in short. In the first 100 days he stopped construction on the wall. He shut down the pipeline. He allowed our largest gasoline provider for the East Coast to get hacked and said we need to train future school graduates to go into cyber security. He has kissed the ass of the Iranian Mullahs! He has made it possible for terrorist and MS13 to enter the country. He has talked about how well the country is doing with the economy. Last but not least, 6 month old babies are not being given the vaccine as an experiment. Women athletes will now have to suck it up and compete against men in dresses! There are so many more issues that I could list but I don't think I have enough room in this short amount of space! If we are lucky we might have a nation in 2024 for Trump to salvage. I am really starting to have my doubts. The "RED" States are doing extremely well and doing business. The "BLUE" States are still tip toeing around the mask issue to retain control over all the sheep in their states. Democrat, Republican, Liberal or Conservative should be rising up in arms and put an end to this insanity. Pelosi needs to go! Schumer needs to go! All the vile rats shit in Washington needs to be flushed down the toilet and then sealed with concrete. If you can't or refuse to see the truth that is around you, you are part of the corruption and the problem. When the one's that still have half a brain come to your door, go quietly and reap the whirl wind.

New guests weekly!

THIS WEEK 5/28 on TREVOR'S HAPPY HOUR OUR GUEST will be RON DeFORE We will discuss his current book "Growing up in Disneyland," a biography about one of America's beloved movie and TV stars - Don DeFore - and his son Ron's autobiography of his life growing up in a celebrity family. The book's title is a metaphor for his life and is literal, as his father was the only person to own a concession in Disneyland displaying their name, "Don DeFore's Silver Banjo Barbecue" restaurant in Frontierland.
