RENTAL NEEDED My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like too stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like too move ASAP. Prefer Apple Valley or Hesperia for rent.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 In the past it was "Wooden Ships and Iron Men!" Now it is "You hurt my feelings and what do you mean I can't wear my sister's dress to the Prom? Well Thomas your sister hates it when you stretch her dress and your boyfriend spills his Starbucks on it!"

This is a photo of what real men looked like in WWII!
 This is a photo of real men before they met their death on the beaches at Normandy, France. They served this country so you could enjoy your fake vagina's on your heads and insult our President. They had no trouble on which bathroom to use! Shame on you!

**Ages averaged from 17-19
 9,000 died on the beach so
 boys can call themselves a
 girl and compete against
 girls in sports. WTF?**

We are BACK!

Fauci is the Brad Pitt of the Woke Movement! Pelosi and the corrupt left think he is a Super Hero!

Super Hero? That is quite a title for a sawed off, pathetic, over rated narcissist with "Little Man Syndrome!"

TREVOR'S HAPPY HOUR
 95% OFF

New guests weekly!

THIS WEEK 06/11 on TREVOR'S HAPPY HOUR OUR GUEST
 Rock and Roll Hall of Fame Radio DJ Geno Michellini.
 Have you been asking yourself where's Geno, what the hell happened to Michellini? I want to Bang the Drum! I need some real funnies. Well folks, Los Angeles radio legend Geno Michellini is alive and well, and on the internet. Geno Michellini's Turntable Hits broadcasts every single Friday, on the Flying Eye Radio Network playing every color in the musical rainbow. There was a time when the turntable was king and many of the real musical gems were in the deep recesses of those albums that spun on the platter, and those gems could be heard on stations like KMEL, KOME and KFOG in the San Francisco bay area. It is what FM radio once was, and will never be again. It is the music you turned on the black light and turned up the volume. You say you want to Bang the Drum! Have no fear Geno is here. What better way to end your week?
