RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Diaper Joe Biden mocked the founding fathers and the Second Amendment? Are you kidding? His words at a press conference "We have F-115's and nukes!" "What good is your AR-15 against us?" Are you kidding me?

If Trump had made that statement the Fake News would have burned up the presses to make sure that he would be impeached again for such a statement. Here is my statement to Diaper Joe Biden and his VP Camel Hairyass. The Second Amendment was written by some really smart men in 1776. Most people don't realize that the men that wrote the Declaration of Independence at that time were ages 18 to 22 years old. Think about it for just one moment. The men who formed this nation were very young, brilliant, brave and knew that if they did not band together and be hanged together they would be hunted down and hung separately. Now you look at the pussies that we have produced who are demanding change in this nation and don't have any skin in the game. These pathetic little toilet lickers don't even know which bathroom to use. Why are we, the moral majority, allowing the 7% minority in the nation to dictate how we are going to run our lives? Why are we allowing degenerate sexual behavior being taught to our children at the kindergarten level? We have allowed God, or mention of, to be called offensive and yet we have the Hollywood Degenerates pushing for the homosexual agenda? Am I the only one who has an issue with this? Everyone backs down from the fight for morals and justice. Why are we allowing Penis Face Pelosi and her followers to continue with his farce?

New guests weekly!

THIS WEEK 07/02 on TREVOR'S HAPPY HOUR OUR GUEST Rock and Roll Hall of Fame Radio DJ Geno Michellini. Have you been asking yourself where's Geno, what the hell happened to Michellini? I want to Bang the Drum! I need some real funnies. Well folks, Los Angeles radio legend Geno Michellini is alive and well, and on the internet. Geno Michellini's Turntable Hits broadcasts every single Friday, on the Flying Eye Radio Network playing every color in the musical rainbow. There was a time when the turntable was king and many of the real musical gems were in the deep recesses of those albums that spun on the platter, and those gems could be heard on stations like KMEL, KOME and KFOG in the San Francisco bay area. It is what FM radio once was, and will never be again. It is the music you turned on the black light and turned up the volume. You say you want to Bang the Drum! Have no fear Geno is here. What better way to end your week?
