RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

You have to laugh when the Left said that Biden got 80 million votes! This man can't draw a crowd of more than a 100 supporters and you say he beat Trump? Trump can still draw thousands of people to one of his rallies and that is just the ones that could not join the thousands that were able to attend indoors! We are being quickly turned into a third world shit hole and the left is going to make sure that any Trump supporters are punished. You can burn down police stations, riot, loot and attack people and that is acceptable to the Left. If you are for law and order you must be one of the bastards that hates freedom and all it stands for! Pelosi, Queen of the Dead, is still pushing for a fake investigation into the happenings on January 6th. This Witch is selecting the corrupt Republicans who voted to impeach Trump to be on the committee. Cheney from Wyoming is right up front with her hatred for Trump. Let's keep in mind that Cheney is the daughter of a "WAR CRIMINAL" who with George Bush lied to us about weapons of mass destruction. They were never held accountable for their responsibility for the death and suffering in the Middle East. We need to put pressure on our elected representatives to put an end to this treason that has come out of hiding. The events that you are seeing in Washington D.C. have been planned for many decades. The "Bastard Politicians" feel empowered since they stole the election from the rightful President. These Bastards cooked the books. If you won fair and square you should not have any issue about the vote being verified with an investigation. They lied. Pelosi wants Trumps tax returns, I want to see the tax returns for the House and Senate.

New guests weekly!

THIS WEEK 08/06 on TREVOR'S HAPPY HOUR Our guest will be Rock and Roll Hall of Fame Radio DJ Geno Michellini. Have you been asking yourself where's Geno, what the hell happened to Michellini? I want to Bang the Drum! I need some real funnies. Well folks, Los Angeles radio legend Geno Michellini is alive and well, and on the internet. Geno Michellini's Turntable Hits broadcasts every single Friday, on the Flying Eye Radio Network playing every color in the musical rainbow. There was a time when the turntable was king and many of the real musical gems were in the deep recesses of those albums that spun on the platter, and those gems could be heard on stations like KMEL, KOMA and KFOG in the San Francisco bay area. It is what FM radio once was, and will never be again. It is the music you turned on the black light and turned up the volume. You say you want to Bang the Drum! Have no fear Geno is here. What better way to end your week?!?!
