**RENTAL NEEDED**

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**  
 Diaper Joe and his Jamaican Whore are doing the slide and glide around the catastrophe that has hit our citizens that have been abandoned in Afghanistan. The President made the statement that he has faith in what the Taliban has told him that American Citizens are not being hindered from traveling to the airport to evacuate the country safely. The numbers of how many American Citizens still remaining behind is not really known to Diaper Joe or the Generals at the Pentagon. They keep blowing smoke and grasping at straws when dealing with the reporters. We are in very serious trouble on all sides when you look at the entire picture that is forming. We now have opened the doors at the Southern Border and have no idea who has actually entered the country. We have no idea if any of the individuals on the terrorist watch list have managed to slip into our country. We have a government that has turned it's back on the safety of the American Citizens and has no plan to protect us from another attack. I hope that I am wrong, but, I predict that we might get hit on the anniversary of September 11th. The "ASS CLOWN" that is in the White House has no idea of how to handle this catastrophe or if he is even wearing a clean diaper. Vice President Camel Haiyass shot out of the airport heading to Singapore. The Prime Minister of Singapore offered to help rescue the American Citizens that are stranded in Afghanistan. This small nation has more balls than all the so called Generals in Washington D.C. combined. I predict that if the American Citizens don't rise up in the next couple of months this nation is doomed. It is truly good versus evil. God save this nation.

### New guests weekly!

**THIS WEEK 08/28 on TREVOR'S HAPPY HOUR OUR GUEST**  
 We are excited to announce our guest will be former two-time Cy Young Award winner and the last man to win 30 games in Major League Baseball, DENNY McLAIN. Denny McLain's 1968 season, "the year of the pitcher", turned in one of the best single-season performances by a pitcher in Major League Baseball history. The 24-year-old was 31-6 with a 1.96 ERA and won the American League Cy Young Award as well as the American League MVP Award while being selected to his second All-Star Game. McLain also anchored a staff that went on to lead the Detroit Tigers to a World Series victory over the Bob Gibson and the St. Louis Cardinals. McLain is one of two men to reach the 30 win mark since 1934. With The 2015 World Series in just a few days Denny will break down the Series and give everyone some great stories about his role in winning the 1968 World Series.  
 He might even give some lessons with his musical genius.
