RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

We are now at a crossroads in our nation and our future depends on what actions American Patriots choose to take to ward off the treason that has been publicly exposed for the last 10 months. We have a traitors in the White House, Biden and Harris. We have traitors in the Congress, Pelosi, and the Senate, Schumer. The F.B.I. is now the Gestapo who will be glad to arrest parents for terrorist threats because the have the nerve to challenge the degenerate teachings that are going on in our schools. If you speak out you will be attacked by the corrupt media that now serves the socialist agenda. You will lose your job, your savings, your soul. Your children are no longer yours. They are now "Property of the State." The "State" will now decide what is appropriate for your child's welfare and well being. They will teach your child about masturbation and that it is okay to experiment with males or females to see which they prefer. They are being taught that "God" is no longer an acceptable topic or belief. They are being lead down the road to a life of perversion. At the age of 4 or 5 years your child has not clue about any of the evil choices that are being laid in front of them to choose. If you speak out you will be branded as a racist or a bigot. Your neighbors are being encouraged to turn you in to the F.B.I. to be harassed and possibly arrested for speaking the truth. We are now at the point that the Germans were in when Hitler and the Nazi's took over. If you follow history, this mistake never ends well for the individuals who still have moral values. You will be hunted down, arrested, put on trial then incarcerated or executed. I put nothing past the corrupt Diaper Joe Biden and his Whore Kamala Harris.

\$3.5 trillion?
What in the world is that going to do in reality? Do they think we are dumb?

Yes, that is quite a number! Nothing that they say the money will go to will ever happen. It is to go in their friends pockets!
