**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Now let's take count. Originally we were told that a lockdown for 3 to 6 weeks would take care of the Chinese Virus or Chinese Plague how ever you choose to call it. Now 10 months later we are being told that a 3 week lockdown is going to fix it. Now if you are one of the lucky ones in the Commiefornia Entertainment Industry these lockdowns don't apply to them. This 3 week lockdown will eliminate the problem of the virus, Christmas, New Year's and any other silly thing that you think is important to you! Newsom is pushing this beyond reality. You individuals in Commiefornia have destroyed the future of your children and grandchildren. Your investments have gone down the drain. Your businesses have been closed and not coming back. Yet, you just keep letting the same foxes raid the hen house time after time. What you haven't had the "Big Green Donkey Dick" thrown in your face enough times. Trump won the election and you stand there with one thumb in your mouth and the other one up your ass. I called Dianne Feinstein's office and the bitch hired help (who is still gettingpaid) said that Trump's staff that monitors the election functions said that all was well and secure. I went ballistic and told her that she was one of the problems that we need to eliminate in the Washington Swamp. The country is being destroyed and might not survive anymore of these insane orders by assholes who have taken bribes from all over the planet. If Diaper Joe and his Jamaican Whore Camel Hairyass get their foot in the door you can kiss any future you thought you might have good-bye. We will be taking orders from a Diaper wearing fool!

Pamela's World!

Hello my friends,

This is a time to get smart about YOUR LIFE, this virus is very real! People touch everything & that means Money passes through so many hands. I'm more aware of my actions, before I leave my home, I make sure to have my mask, hand sanitizer & I always carry water in my car. This virus doesn't care if you're a republican or democrat, the color of your skin or where you live. It is an invisible enemy. But on the other hand, staying at home alone is also dangerous. Loneliness can bring on depression & or even thoughts of suicide, maybe your gaining a few pounds or drinking more alcohol? Pick up the phone & reach out to each other & stay present, stay positive, because

ALL LIVES MATTER !

Call me 760 885.2608 or leave mess. 760.810.7227
Until next week Lil Sista Pamela
