New guests weekly!

This week 12/18 on TREVOR'S HAPPY HOUR @ 3pm pst OUR GUEST will be RON DeFORE We will discuss his current book "Growing up in Disneyland," a biography about one of America's beloved movie and TV stars - Don DeFore - and his son Ron's autobiography of his life growing up in a celebrity family. The book's title is a metaphor for his life and is literal, as his father was the only person to own a concession in Disneyland displaying their name,

"Don DeFore's Silver Banjo Barbecue" restaurant in Frontierland..

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

I looks very much like the Diaper Wearing Fool and His Jamaican Whore are going to win the office of President and Vice-President. In reality we have allowed the country to degenerate to a point of insanity. Not only have we allowed the corrupt left to change not only our past history, but any future history that has always shown the world that we are the righteous and just.

If you are fortunate enough to make it here and become a citizen you will be giving the greatest gift to your future family that you could and would never be able to put a price on. Coming here is the chance a person has to grab for the big brass ring and aim for the moon! Even if you fell a bit short of your dreams, you still have your freedom to continue to climb the ladder of success to your hearts content. Now, law abiding legal immigrants will have their respect for our country and the laws they have sworn to protect and uphold flushed down the Washington Swamp Toilet by the traitors that have now overthrown our republic. The list of traitors has grown grown immensely in the last 4 1/2 years. Speaker Nancy Pelosi and Chuck Schumer top my list for treason. The bottom feeding scum from California and New York are on my personal short list. I hope that A.O.C. short for Alexandria Ocasio-Cortez puts me on her list of people to go after and punish for being Trump supporter. I take her words and those of Robert Francis "Beto" O'Rourke serious. Since they have decided to launch a personal assault against me and my family and friends, they have cast the first stone. Listen up traitors, I will defend my family, friends and my country to my last breath. I will deal with these traitors like our forefathers did back when they first formed our country. You come after me physically, professionally or attack my freedoms that are guaranteed by the Constitution I will be a force to be reckoned with. This is not to be misinterpreted as a threat, which I believe is wrong to make threats against people. It is a promise that I will destroy you and all other enemies, foreign and domestic per the oath that I took long ago. I am after all a Oath Keeper.

Pamela's World!

Hello my friends,

Some of you are feeling frustrated & alone. Maybe depression is putting you in danger? Eating too much or not enough. You might even be consuming more alcohol/drugs? How about your Thoughts? That's where it all begins, are you finding yourself watching more tv. & news. Can you turn off the news & the noise is your head? With this shut down/stay home policy it can drive any one crazy. You can reinvent yourself, start with being your own B.F.F. = Best friends forever. Tell yourself "I will let go of what no longer serving me and make room for what inspires me. You know yourself better than anyone else. This is your life & the path you choose is yours alone. Hold on tight and enjoy the ride!

P.S. Even though I've been sober 5yrs. I have to admit at time I want to say why bother, But at 59yrs. I have learned that it is easier to stay sobor, then it is to keep trying to get sobor. My hangovers each time was more painful than the last one. So, I say no thanks. Stay positive & healthy

Call me 760 885.2608 or leave mess. 760.810.7227
Until next week Lil Sista Pamela
