RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

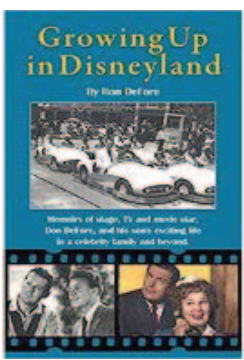

I would like to take this time to wish everyone a Happy New Year!

It has been a year that will never be compared to any thing else in our history. We were told in the 1950's that we would be overthrown without a shot being fired from traitors within our government. It is here and the corruption is so deep that even law enforcement is lined up at the back door looking for the money that is due to them for helping so well to overthrow the duly elected President. Biden is a sack of shit and doesn't know if he is wearing a fresh Depends. It will only be a matter of a few weeks if he get in that he will step down and the ugly, Jamaican Whore Kamala Harris will be dictating how you will be redistributing your hard earned money. After all this hypocrite is the poster child for what you don't want your daughter to grow up to be. She is as vile a snake that has ever crawled on it's belly and spread her legs for personal gain in politics. Democrats don't have a problem with this. They think Stormy Daniels is the poster child for the next portrait of the Madona and Child. Pelosi has betrayed us for decades, Swalwell is her fair haired little ass kissing, pud pulling loser, he actually thought that a "HOT CHINESE GIRL" had an interest in him! What a dumb ass! The other sack of shit by the name of Adam Schitt is now telling everyone that they need to ignore the false claims against voter fraud. Are you kidding me? His bug eyed, pencil necked sack of moldy dog shit did nothing but lie about the Trump election and the Russian collusion. Personally I would like to be the one to write his suicide note and then have the pleasure of kicking the stool out from under him. There are many dirty politicians in Washington on both sides of the isle. If we allow the left and the right traitors to steal this election we as a nation are screwed. Trump kept every promise that he made including exposing the corruption in our government as he promised. Quick question! Do you speak Chinese?

New guests weekly!

This week 12/25 on TREVOR'S HAPPY HOUR @ 3pm pst OUR GUEST will be RON DeFORE We will discuss his current book "Growing up in Disneyland," a biography about one of America's beloved movie and TV stars - Don DeFore - and his son Ron's autobiography of his life growing up in a celebrity family. The book's title is a metaphor for his life and is literal, as his father was the only person to own a concession in Disneyland displaying their name,

Pamela's World!

Hello my friends,

Hope every one of you, have joy & piece in your heart, A good belly laugh, the will & courage to forge ahead. New Year's around the corner. Many of you will attempt to quit smoking, drinking, go on a diet after the holidays are over. Will you go to any length to make a change ? This has to be your choice! Not for a spouse, Not for the judge. This your life ! If you keep doing what you're doing, then you will KEEP GETTING WHAT YOUR GETTING ! Many of you that follow my articles, will remember the one about ; being in a rut. My father said " Think of the covered wagons, they had to follow each other, which created the ruts in the road. When they came to the fork in the road. A sign says " choose your rut wisely, YOU WILL BE IN IT FOR THE NEXT 50 miles. Make a rut a positive one ! It was up to me to go to the gym, AA/ NA meetings or any support group. That was great advice for myself & took it. Don't think for a moment it was easy, I had to 1st. start with the way I think, speak, & feel. My {day} rut starts off with Positive Attitude.

Now that things have shut down & We are asked to stay home, the safety net that once was available, makes it even harder. I have asked you before, what length would you go through for change. Now: ASK yourself , what length did I go through for a DRINK, DRUG/ Tobacco and or Food. It is possible to go cold turkey, but you don't have to. Do your own research to find an online meeting in your area . What something so bad, be your own super hero.

Until next year 2021.
