RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Well on Sunday the Dip Shits in Congress voted Nancy Pelosi Satan's mistress to continue as Speaker of the House. What a sham! This woman deserves more that a pig's head in her driveway and graffiti painted on her garage door! She needs to resign and wait for the FBI to come and arrest her for treason.

Oh, that's right the FBI won't do that because they are as corrupt as the MOB of the old days. Let me take that back, the MOB had better values and loyalty. By the time you are reading this the Electoral College issue might have been resolved, good or bad. There are 140 Republican Congressman that are placing a challenge on the corrupt theft of the election from our President Donald Trump. If Trump is not to take office for another 4 years you can kiss everything you thought you knew about being an American good-bye. The Senate has 10 or 12 Republicans that are stepping forward. To bad more of the elected representatives don't have a pair of balls! We are not going to be able to adjust to the "WOKE" stand in line, close your mouth and do as you are told standard. The bastards like Bernie Sanders and Chuck the Chicken Choker Schumer are looking to redistribute our individual wealth. These bastards won't be giving up a nickel out of their personal pockets. If we have Diaper Joe and the Jamaican Ho in the White House we will have the Chinese controlling every thought and action in Washington D.C. and the rest of the country. Biden and family are corrupt and are going to get away with it because half of Washington has been on the take for decades. They sit at a table and sign things into law that benefit the individuals that are out to insure we are in line for the "ONE WORLD ORDER"! While doing these meetings away from public view they have the other hand under the table taking money from lobbyist who would sell there mothers and sisters in Tijuana if they thought they would make a buck! Let's hope that Georgia makes the election results honest and without doubt. Biden can't draw 100 people as Presdident Elect and we are to believe that Diaper Joe beat Donald Trump in a fair & honest election?

New guests weekly!

This week Friday 1/08 on Trevor's Happy Hour you can listen to a 2 hour special about the most underappreciated television show of ALL TIME !!! AMOS N ANDY...

Amos 'n' Andy was an American radio and television sitcom set in Harlem, the historic center of Afro-American culture in New York City. The original radio show, which ran from 1928 to 1960, was created, written and voiced by two white actors, Freeman Gosden and Charles Correll, who played Amos Jones (Gosden) and Andrew Hogg Brown (Correll), as well as incidental characters.

When the show moved to television, black actors took over the majority of the roles; white characters were infrequent. Amos 'n' Andy began as one of the first radio comedy series and originated from station WMAQ in Chicago. After the first broadcast in 1928, the show became a hugely popular radio series. Early episodes were broadcast from the El Mirador Hotel in Palm Springs, California. [4]:168–71 The show ran as a nightly radio serial (1928–43), as a weekly situation comedy (1943–55) and as a nightly disc-jockey program (1954–60). A television adaptation ran on CBS (1951–53) and continued in syndicated reruns (1954–66). It would not be shown to a nationwide audience again until 2012. [Hosted by Terry Smith and Produced by Trevor Garner this show received many callers from all over the United States and includes LIVE interviews with some of the last living cast members.

Pamela's World!

Hello my friends,

How did you bring in the New year ? For myself It was a great way to say good by to my many yesterdays of ALL the Good & bad. And every person I met, Good & bad, I say THANK-YOU ! Yes, even to those who caused misfortune & mayhem, after the tears, pain of someone ripping you off, or what the case may be. I still say " Thank You, because I called you my friend, it doesn't always mean I was really their friend. So, at the end of the day, I know my heart is always is always in a good place. I learned something from every one, Listin up All of you really do have so many great qualities. Something you said or something you did. I like watching folks & how they speak to each other, more important how they treat each other. Let me ask you, how many times do you say PLEASE & THANK YOU. I am always saying thank you to God, for all my gifts I receive all day long. First thing in the morning, I'm praying as I'm to trying to tell my legs to get moving & run to the bathroom & Saying " OH GOD, PLEASE, please, & Then follow with a THANK YOU that was close. 2nd. Gift is the Splash of colors with every Sunrise. I can keep on going. I find myself looking at the past & There is no one to blame, but a lesson to be learned. Release with love, whoever & whatever, let it go. Yesterday is history & Tomorrow being a mystery , so that leaves us with the PREASANT ,Today Is A GIFT. THOT: For physical sobriety, we had to give up drinking, and for emotional sobriety, we have to give up blaming others. So, look out 2021.
