**RENTAL NEEDED**

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

Well I guess the citizens of our nation got tired of winning! Since Diaper Joe and his Jamaican Ho will soon be in power you don't need to go to bed worrying about how good your investments are doing and if you are going to keep that job or get a raise in pay! Now that we have let the Socialists and Communists take control in our nation we will only have one thought every waking hour! Are we going to keep a roof over our heads? Are we going to look for ways to cut expenses? Are we going to be able to afford to keep the family dog or cat? Would it be a wiser choice to get a cook book from a Third World Country so you can be up to speed with the citizens of Venezuela on cooking dear Fido or FeFe! I am not making light of the situation a hand. We are going to see all the great policies that Donald Trump put in place protecting our country from becoming the collection plater at the alter of world dictators like China, Russia and Iran! The Socialist on the Left don't have enough sense to pour piss from a boot and yet they managed with the help of corrupt politicians on both sides of the isle defeat Trump with dead people voting, voting twice, non-citizens voting and just running ballots with only the name of Diaper Joe through the ballot counting machines. Dominion is now wanting to file a lawsuit against the lawyers that were trying with all their might to get the corrupt courts and corrupt congressman and senators to look at this issue and declare the vote Arizona, Georgia, Penn., Mich., and Wisconsin a fraud and discount them from the total number of votes that were cast. The new "Millennial Generation" is about the stupidest group of cocksuckers that have hit our nation since the Viet Nam protests of the 1960's. If my language offends you, then don't read my editorials. Problem solved! The Republicans that did not back our President are just as dirty and corrupt as Hillary and the rest of the bastards in office. Now, the bastards that broke the law including the Biden's are going to get a free pass. Business as usual in Washington is now back in session.

## New guests weekly!

This week Friday 1/15 on Trevor's Happy Hour we will revisit our interview with MICHAEL STERN. ...In 1971, ten-year-old Michael Stern thought he had died and gone to heaven as he watched a filming of Here's Lucy. He was enthralled with a redhead gifted with beauty, stage presence, and the ability to make others laugh. Over the next few years, he would attend several more filmings, meet Lucy, and eventually become (in Lucy's own words) her number one fan. He has released his book about their relationship which you can purchase [THELUCYFAN.COM](http://THELUCYFAN.COM)

## Pamela's World!

Hello my friends,

I'm going to jump right in, I usually don't give my opinion on politics. But I will express my opinion on human behavior. I absolutely believe in the right to stand up for what you believe in. on 1-6-2021 our children watched & witnessed many folks trespassing, thievery, assault on other human beings, & 5 deaths. I don't care who you voted for, or the color of your skin. I never question any one's faith or lack of it. I'm here to say " DON'T SHIT WHERE YOU EAT." We all are on American soil we live here. The world is watching all of this mess & I never have been more ashamed to have seen for myself on TV. My American brothers & sisters being so disrespectful & destructive . My mother would say " Do you want to win a battle, or do you want to win the war. Take time today & check your actions & words, OUR CHILDREN ARE WATCHING & LISTENING. Set good examples,

Call me 760 885.2608 or leave mess. 760.810.7227  
Until next week Lil Sista Pamela
