RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

This can't get any crazier! On one hand have crying Chuck Schumer getting an erection over the thought of Trump being impeached a second time even though he is not the President and a Private Citizen! You have Eric Swalwell who was banging FANG FANG, and God only knows what else, being put in charge by Nasty Pelosi to heading up the hearing of impeachment of a private citizen! Maybe Crying Chuck got the erection thinking about how lucky Eric Swalwell was to be assigned to head the impeachment or possibly his aim was set on the possibility of getting introduced by Swalwell to FANG FANG! I don't think that any of these Ass Kissing, Armpit Licking Traitors have ever read the Consitution or have any clue as to what it says and means. You would have to think that after the number of decades they have been in Washington that the possibility of gaining some knowledge might have transpired. It has come to light over the weekend that Nasty Pelosi had actually requested .50 Cal M2 Browning machine guns to be stationed at the Capital to use against American Citizens on inauguration day if they stormed the Building. We have troops who have served this country made to sleep in parking garages like some one's abused dog. Yet the icing on the cake is you now have a feeble minded old man as Captain of the ship who is owned by China running the nation. He doesn't even know if he is wearing a fresh diaper or how it even got there. Second is command is a real winner! We have a self admitted Whore as Vice-President and will soon be the first woman President! Can't say that she is the first Woman of Color to be in the oval office because it is highly likely Slick Willie Clinton already crossed that bridge. You have traitors in every level of the Government that have broken laws and betrayed us now getting a FREE PASS! On his first day in office Diaper Joe with the flick of his pen eliminated over 100,000 jobs! At a boy Diaper Joe! You stupid bastards that wanted Trump gone can enjoy 4 years of a crazy old man and a evil self admitted whore.

New guests weekly!

This week Friday 1/29 on Trevor's Happy Hour we will revisit our interview with former two-time Cy Young Award winner and the last man to win 30 games in Major League Baseball, DENNY McLAIN. Denny McLain's 1968 season, "the year of the pitcher", turned in one of the best single-season performances by a pitcher in Major League Baseball history. The 24-year-old was 31-6 with a 1.96 ERA and won the American League Cy Young Award as well as the American League MVP Award while being selected to his second All-Star Game. McLain also anchored a staff that went on to lead the Detroit Tigers to a World Series victory over the Bob Gibson and the St. Louis Cardinals. McLain is one of two men to reach the 30 win mark since 1934. With The 2015 World Series in just a few days Denny will break down the Series and give everyone some great stories about his role in winning the 1968 World Series. He might even give some lessons with his musical genius..

Pamela's World!

Hello my friends,

When you meet someone better than yourself, Turn your thoughts to becoming his Equal.

When you meet someone not as good as you are, LOOK WITHIN YOURSELF.

(Confucius) v Wise fella,
I had to learn to, keep an open mind & be willing to accept advice from others. Remember that you are not alone, even though we might feel like it at times, the virus has us feeling like a hostage, to our home & But worse we are left alone with our own thoughts. We are in the craziest time ever, Between the new of presidential conflicts & the visus, & what every is going on in the world, you have my permission to play hooky, put some music on & be good to your self & others!

Call me 760 885.2608 or leave mess. 760.810.7227
Until next week Lil Sista Pamela
