RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

New guests weekly!

This week Friday 02/12 on Trevor's Happy Hour @ 3pm pst **OUR GUEST** will be **RON DeFORE** We will discuss his current book "Growing up in Disneyland," a biography about one of America's beloved movie and TV stars - **Don DeFore** - and his son Ron's autobiography of his life growing up in a celebrity family. The book's title is a metaphor for his life and is literal, as his father was the only person to own a concession in Disneyland displaying their name, "Don DeFore's Silver Banjo Barbecue" restaurant in Frontierland

FROM THE EDITOR! "UNSPOKEN THOUGHTS"

As your President I want to make one thing perfectly clear. The Biden Family and myself have not been bought off by China. To make these accusations are an insult. I have never been for sale! However, to be totally honest with the public and make one thing perfectly clear, I and my family are for RENT! There is a huge difference between the two. For the conservatives I am still looking to undo everything that Trump did that I and Kamala feel hurt the nation. By the term nation, I mean me and the rest of the corrupt, amoral, shisters in Washington that are having to double down on the effort to recover the personal losses of money and overseas contacts that we have been sucking up to for years. The way certain members of our social club were attacked by Trump and his band of rabble-rousers will be punished for their actions. We in Washington are not blind to the plot that we put in place to destroy Donald J. Trump and his family. We had a great plan to discredit him in the eyes of the American public. So it backfired and for a time it seemed that Clinton, Comey and the rest of our team might be in legal peril and might actually stand trial for our betrayal of the American Citizens. With calling in favors on everyone we have dirt on, bothsides of the isle, we were able to wreak havoc on the Trump administration and his allies. Because our girl Hillary Clinton was defeated in 2016 we needed to be sure that 2020 would not be in vain. We put together the largest corrupt organization to stack the deck and manipulate the election results with help from Dominion. I made the announcement on national TV that we had the greatest fraudulent organization in history to defeat the Republicans and Donald J. Trump. Now you will pay the price. Wait till Kamel Hairs takes office.

Pamela's World!

Hello my friends,

Sometimes pain is the messenger that brings us to the door. But nothing, not even the most profound pain, can force us to go through the door if we are not ready. I know that this is true. For 2 yrs I've been trying to figure out what the heck happened, my son took his own life, I miss him, but I can't let it destroy me. I'll never understand suicide, what ever is going on in your life, it is never ok to end your own life, because your pain stops for you. IT's the ones you leave behind. Now a chain reaction of sorrow, guilt & despair that, now has landed in the lap of your family and friends, each to figure out the W.T.F. just happened.. IF YOU ARE EVEN THINKING THAT LIFE IS TO HARD, MAYBE YOUR OUT OF WORK, MAYBE YOU HAVE LOSSED SOMEONE YOURSELF AND YOU DON'T WANT TO LIVE ANY MORE.. SUSIDE IS NEVER, EVER THE ANSWER. find someone & anyone to talk to, try praying, make GOD YOUR FRIEND. I know you can get through this, I've been sober for almost 6yrs. now & have felt the pain your going through. you do this pick up the phone & call
