RENTAL NEEDED

My wife and I are from S. Apply Valley. I am a retired house painter of 40 years, we both work part-time, non-smokers, no alcohol or drugs. We've been living on 5 acres off Deep Creek Rd. for 1-1/2 years, we would like to stay living out of town; would someone have some housing with 1 bedroom or maybe even a Mobil home or house share? Would appreciate a call from someone, will pay a finder's fee. Would like to move ASAP. Prefer Apple Valley or Hesperia for rent.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

The Chinese will eat our lunch!

Diaper Joe Biden changes his stance on topics more often than he changes his diaper! Well, that was a bit over the top! Diaper Joe doesn't change his own diaper, he has staff to take care of that issue. If you have ever wondered why he seems to get lost while reading the teleprompter, it's because he just dropped a load! You who have children know that when the little one was about to make a mess that would knock a buzzard off a shit wagon you first see it in their eyes. That glazed look of muscles contracting without being asked to do so! So now you know the reason they kept Diaper Joe in the basement away from prying eyes. This week our Criminal and Chief made a statement in regards to the situation of "HOME GROWN TERRORIST" the American Veteran and the Retired Police Officers. If you look at the crimes that have been committed in the last 2 decades that have gone unpunished your head should explode. The "HOME GROWN TERRORIST" are the bastards in Washington that have sold us out. These pieces of PIG SHIT need to be arrested and tried for treason. Have you noticed on Facebook the people who could not wait for Trump to leave office have grown quiet? You would think that they would be jumping up and down with joy for all the great things Diaper Joe and the Jamaican HO are doing! Record number of job loss! The gasoline prices are climbing faster than a monkey in a tree after a ripe piece of fruit! Our enemies once again are dictating how the United States is going to go to the back of the line and keep handing our money like it is candy! Yes indeed you dumb asses on the Left that wanted Trump gone, here is the reward. You will also be paying the price. The politicians are not going to deliver anything that they promised. They never had any intent on delivery! Once again the people who have nothing were tricked into having nothing!

Bunch of arm pit licking ass kissers!
