**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

Rep. Adam Kinzinger Washington swamp monster. Here is another example of a traitor. He betrayed his oath of office. He betrayed the trust of President Trump and the American Citizens. This little sack of vomit would lie, cheat, steal and commit treason. He has his head so far up Pelosi's ass they look like Siamese twins. He is out for his own advance in our government. He has no desire to see the Left handed their asses in a to-go-bag next when the next election is held in Nov. 2022. He likes it like it is. He is going to be greatly disappointed when he himself gets the boot. Justice served.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Diaper Joe Biden just announced that he has put in place a new agency! The Ministry of Truth! Wow! I think that Diaper Joe has been sniffing the cream that the Jamaican Nanny has been putting on him so he doesn't get diaper rash! The individual in charge of the Ministry of Truth is one of the biggest hypocrites walking the earth. This woman has been recording and posting videos that really should have been kept private. I personally think that she has been hitting once to often on Hunter's Crack Pipe! The new idea that the Left has come up with is great! If they call it The Ministry of Truth, no one will challenge it!! After all, it is The Ministry of Truth! This new government organization is not only a farce, but it also violates our constitution. Government does not have the right to decide for you what is truth or a lie. You are adults, or so you say, you need to decide this for yourselves. After all, let's take a look at what the Biden administration has been pushing on your beliefs! Hunter's laptop is Russian disinformation to discredit Biden's agenda. There are 5,000 new genders, you are not smart enough to figure that out with your child. The kindergarten teacher is better qualified to do that for you. We can print money till the cows come home to beat inflation. Putin is the reason that the price at the pump is so high! Trump was ruining our nation! FYI, if you think this is really what has been happening, you really need to quit sharing Hunter's Crack Pipe. Wake up and take back your rights! I and others like me defended you and this nation so you had freedom of choice. Now, the only freedom that you have is to let someone enter your house and kill you. No complaining sissy!
