**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

John Kerry, rich man married to a really rich woman. Was acting as a foreign agent during the Trump administration and did not register as required by law. Talking to our enemies about how the United States will be changing under new administration. Flying all over the world in his private jet, telling you that you are the problem with out of control pollution. This man has committed treason on every level. Now he is the special presidential envoy for climate control under the Biden administration. He is out to line his own pockets and those of his friends with our hard earned tax dollars.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

The word that no one in Washinton, D.C. or the media refuse to say is TREASON! Now I am not talking about the rat bags that are going after President Trump. I am talking about all the dirty little bastards that are dirty on both sides of the isle. The Republicans are just as guilty as the Democrats in the back door deals that are kept from public knowledge. Lindsey Graham is one of the dirty little bitches. He is a two faced as they come! Mit Romney is another one who got down on his knees and begged Trump to endorse him. Liz the bitch Cheney is another one for the books. She is on a downward spiral and knows that is she is about to get her walking papers. The reason these so called elected representatives are so against President Trump is he exposed the evil, theft, and treason that they have been committing for decades. Biden is a corrupt bag of crap that should have been removed long ago. The reason that he is kissing the Russians and Chinese ass is because they own him and his family. He knows that if he doesn't perform oral sex while he deals with Putin and Xi Jinping they will release all the dirt on the entire Biden dealings. We have been betrayed on a level that has never before attacked our great nation. When you have MEN become woman of the year? When you have MEN competing in women's sports and breaking all records, I ask is this really our RED, WHITE and BLUE that the veterans gave their lives to defend? The answer is NO! The degenerate behavior that you are seeing is the same behavior that destroyed the Roman Empire. If we don't keep our guns to defend our homes the Russians or Chinese will be taking us over without a shot being fired. Second Amendment equals freedom. Call Me! or email: editornickelshopper@aol.com
I would like to hear your thoughts 760-298-0902
