WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS

Dr. Deborah Birx, betrayed the trust of President Trump and the rest of the American Citizens. By her own words in her book, she made up false facts and intentionally misled the entire country. She with Fauci need to be fully investigated, indicted, and charged not only with treason, but with the deaths of millions of people not only in our country but the entire world. Like Fauci, she knew, that the China Virus was from China. It came from a lab. Fauci's own words for President Trump in a interview stated, "Trump should not be surprised if he is hit with a global pandemic. His words, not mine. Arrest, try and hang the bastard.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

The value of our dollar is going down faster than a fat kid on a teeter totter! Diaper Joe caught a variant of the China Virus. He is doing well because this is about the 6th or 7th variant from the original virus. He bragged about how hard he was working while he was in recovery. Well, Diaper Joe, you haven't worked hard a day in your life. You are one of the leeches in the DC swamp that has been swindling the public for every nickel you can for 5 decades. China and Russia are waiting to see how it plays out between Ukraine and the possible invasion Taiwan. Who ever comes out on top, will be the one that the Left will turn over the key to our nation. China and Russia own the Biden Family and many others in our congress and senate. We have been betrayed for many decades by corrupt, evil and greedy politicians looking after their own bank accounts! They are going after Trump to keep him from running again because they know they can't beat him. They are now hinting at another mask up and lock down because of the China Virus and the new MONKEY POX! Well unless you are having man on man sex with a person who is contagious you really don't have much to worry about. The Left is creating evidence out of thin air and hope that if they repeat the same lies over and over the same morons that have drank the cool-aid will still keep drinking. For the last 6 years all we have heard is "Orange Man Bad"! Pelosi said that Trump was not properly vetted. In simple terms, that means that Trump being already rich can't be bought and would put an end to the theft of our tax dollars. These bastards believe that they are the government. We need to be ready for a full on assault against the bastards.

President Biden said things were getting better and that the inflation is nothing to worry about!

What do you expect him to say? Things are going down the toilet faster than my adult diaper? The Left will never admit they suck!
