**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

This week's big winner is Dick Cheney the Vice President WAR CRIMINAL. What this bag of crap got away with while VP under the other sack of rotten waste George W. Bush deserves to be investigated on many levels. This sack of crap was on TV this week with an ad he put out for his daughter Liz the leach Cheney. Cheney had the nerve to publicly call out President Donald Trump as a coward. He knows his daughter has no chance in hell of getting reelected in Wyoming. He needs to be indicted on so many crimes it is hard to count. The evil that has fought so hard to remove God from your life is now looking to steal your soul and freedom.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Trump's home was raided while he was in New York. This raid was conducted by the New Storm Troupers formally known as the FBI. The sheep in this country can't see past their cell phones long enough to see that the United States is being attacked and the plan is coming to a head. The corruption in Washington no longer hides in the shadows. Since they stole an election they are bold and brazen. They are almost to the finish line. Bush, Clinton, Bush, Obama are all up to their necks in this swamp. We have been set up for years for this moment. They missed the mark with Y2K! They would have lost control of the world. They patiently waited for the 2016 elections to arrive. They knew that the fix was in and it would be Hillary Clinton to lead us to a New Green One World Order! Trump got in the way. IF Clinton had won we would now be speaking Chinese with a bit of a Russian accent! The I.R.S. is now armed and given permission to use deadly force when dealing with citizens who don't comply. The Bastards in D.C. on both sides of the isle are guilty. They know this time if they lose, Trump will be back with a vengeance! They know the game is over and each one of them will be indicted and in prison. If I had my way I would demand the death sentence for their treason and watch each one of them swing from the hangman's noose. Shit rags like Schumer and Pelosi betrayed our trust and their oath of office decades ago. Why in the world do you think they want to disarm us as they have in other Nazi Nations around the world? Without our Second Amendment we would be England. They are coming on faster than ever. Be ready to defend your country as I have in the past and future.
