**WANTED FOR TREASON AGAINST AMERICA AND HER CITIZENS**

Here is another treasonous bastard who needs to be held accountable by the highest standards of the law! Merrick Garland has lied to the public about everything from student's parents on the watch list to New Storm Troopers formerly the FBI. If you can't see the problem here, you are the problem! They have to make sure to destroy Donald Trump before the November 2024 elections. I said this was coming. It is here. If we don't hold these bastards accountable in the next mid term election we will be speaking Russian or Chinese. The corruption runs deep. The corruption has been there for decades. Trump exposed it making him a target.

**PRAYER**

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

What is another word for treason? How about using the term, Corrupt Politician? That is exactly what we are and have been dealing with for the last 7 or 8 decades. Nancy Pelosi, stated that Donald Trump had not been properly vetted, having put someone or something through an extremely careful examination. Since she could not vete Trump ahead of his nomination she was not able to make sure that her and the other viruses in the Washington Swamp could continue on stealing tax dollars from the citizens making themselves and their families filthy rich. When you have a chance just think about this one thought. If Trump is such a rat, why were we able to do so well in our daily lives? The Biden family has always been evil and corrupt. They sold to the highest bidder access to the Vice President. Hunter is living the California Dream! He lives in Malibu with armed security. He gets up in the morning, smokes some crack, then prepares another bowl to have an appetizer before lunch. On the other hand you have Liz Cheney who just had her ass handed to her in a used doggy bag making the announcement that she is thinking about running for President against Donald Trump! Let's help her get a reality check! We don't need the daughter of a war criminal in the White House. We don't need another Hillary Clinton in the White House. We need a businessman like Trump who knows how to negotiate a deal that puts America First. We don't need a puppet in the White House that Obama can control from behind the scenes and sell out our freedom to the highest bidder. We need a person who will put the needs of the American Citizen first. We need a man with balls like and elephant.
