**WANTED FOR TREASON  
 AGAINST AMERICA AND  
 HER CITIZENS**

Here is another treasonous bastard who needs to be held accountable by the highest standards of the law! Merrick Garland has lied to the public about everything from student's parents on the watch list to New Storm Troopers formerly the FBI. If you can't see the problem here, you are the problem! They have to make sure to destroy Donald Trump before the November 2024 elections. I said this was coming. It is here. If we don't hold these bastards accountable in the next mid term election we will be speaking Russian or Chinese. The corruption runs deep. The corruption has been there for decades. Trump exposed it making him a target.

**PRAYER**

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

If your name is Pelosi, Obama, Clinton, Cheney, Bush, Romney, McConnell, Biden, Schumer, you are treated above the law. You can drink and drive, smoke crack, make back door deals and pocket millions of dollars. You can commit treason and spit in the face of the American Citizens. If you are one of the chosen few you are now the ruling class of the soon to be New Green One World Order. The citizens of our country are here to serve at their convenience and be treated as a cash cow. The harder you work the broker you get. If you don't like it now, just wait till they take away your Second Amendment Rights to bare arms. That's right! Right now you see what they are doing and we are a nation of armed civilians. Just think what they will do once they get your guns like they have in other shithole countries like in Cuba, China, Australia and the rest. If we don't take back control of our government which is supported by our Constitution we are going to be a foot note in a history book. The degenerate behavior that is being taught to our children as being normal and a way of life that they must accept as truth. We have less than 7% of the population that fall into all of these protected categories yet these perverts are dictating to the 93% of our nation how you will live, what you will say, and how you will treat men dressed as women when they enter the restrooms with your wives and daughters. When you can get a man who pretends he is a man and becomes woman of the year and everyone pretends he is a woman? Are you really ready to turn our nation into sodom and gomorrah? If the answer is yes then understand that I will laugh in your face as I turn you into a pillar of salt! Christ is coming.
