**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

Here is another traitor that needs to be investigated, indicted, tried and imprisoned. Mitch McConnell and his wife have made millions of dollars doing business with the corrupt Chinese government. We know that the Chinese are not our friend and are working with Russia to undermine and destroy our country. He has been in Washington D.C. way to long! He has done everything in his power to discredit President Trump and ignored the theft of the election in 2020. He rolled over as most of the corrupt did and behind the scenes were happy that Trump was gone and it was back to business as usual.

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

The New Storm Troopers, formally the FBI, raided President Trump's home. They did this when they knew he would be away and they could get away with it. The media is helping the corruption in Washington D.C. to do everything possible to make sure that Trump and his "Make America Great Again" never comes into play. Trump exposed all the corruption on both sides of the isle. Any other man would have already thrown in the towel and walked away hat in hand. The New Storm Troopers said that they found classified documents in Mar-a-lago. They removed 15 boxes of God only knows what? However the sack of crap Barrak Obama brags about having over 30 million documents that should have already been sent to the Presidential Archives. You won't see Obama's home getting raided, you can't touch the "First Black President". If you do, it only shows that you are a racist. Obama is behind the one pulling strings behind the scenes to finish the job he started. Obama has betrayed this country and it's citizens because he hates us. You don't see Bill Clinton having his home raided and him drug of in handcuffs? Why is it the the Conservative Media is afraid to call treason exactly what it is, TREASON? Everyone seems to be afraid of what will happen to them, their business or their family if the actually speak out. In November the evil needs to be expelled from our government and our country once and for all. Term limits, no insider trading. Everyone that has been in Washington who's net worth exceeds what their salary would reflect need be investigated for back door deals that they hide from the public. This has gone on long enough and needs to end. If not, it will be our end that you witness.

We are BACK!

Did you hear how the FBI raided President Trump's home and took 15 boxes of classified documents?

That happened because Trump is an old white guy! On the other hand Obama bragged about having 33 million classified documents!
