**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

New York Attorney General Letitia James has a personal vendetta in her actions against President Trump. Letitia James has violated her oath of office. Her only motive to get the office was by her words, "Take down Donald Trump and his entire family. Letitia James is doing the work to assist the Left agenda to destroy not only Donald Trump but our intire nation. This sorry excuse of a person needs to be investigated for her own criminal enterprise in the state of New York. Letitia James needs to explain why she decided to proceed with investigation of Trump in search of a crime. Why not apply that effort to investigating the Biden Crime Family and their organization?

PRAYER

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

This is a repeat from last week, still applies. This is a make or break point in our history. If the Left can manage to cheat and steal this one and stay in power we will be heading for a civil war. I personally don't care who you voted for, Biden or Trump. What I do care about is cheating. I don't care who did the cheating, it needs to be investigated and punished. Mark Zuckerberg is at the top of the list who needs to be investigated in his roll of spending \$400 million dollars to help defeat Trump. He put up illegal drop boxes for ballots and there was no security to insure what went into those boxes or who put voter ballots in them. Nancy Pelosi, wonderful woman that she is, said that Trump was not a person that should have won the Presidential election in 2016. Let's see where the problem lies in that thought. Pelosi, corrupt California politician, has made millions of dollars while in office. Pelosi claims that money was made through the brilliant work of her husband. Paul Pelosie is a drunk, skirt chasing criminal that needs to be investigated. We have corruption on both sides of the isle. They cover for one another, not because friendship or loyalty, because the have the dirty laundry that they personally never want the voters to have knowledge of. The D.O.J., F.B.I., and the U.S. Military is now being controled by corrupt traitors. Trump exposed all of the underhanded dealings. That is why they hate him and his family. Trump was the first President that came into office a billionaire. They could not buy him, bribe him or own him. Trump gave the government back to the people. Everyone if the congress and senate need to be investigated and explain why they chose treason.
