**WANTED FOR TREASON  
 AGAINST AMERICA AND  
 HER CITIZENS**

New York Attorney General Letitia James has a personal vendetta in her actions against President Trump. Letitia James has violated her oath of office. Her only motive to get the office was by her words, "Take down Donald Trump and his entire family. Letitia James is doing the work to assist the Left agenda to destroy not only Donald Trump but our intire nation. This sorry excuse of a person needs to be investigated for her own criminal enterprise in the state of New York. Letitia James needs to explain why she decided to proceed with investigation of Trump in search of a crime. Why not apply that effort to investigating the Biden Crime Family and their organization?

**PRAYER**

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

It's getting down to the wire! The corruption that has been in Washington D.C. has finally come forward to the public attention. This corruption goes back decades. The F.B.I. has always been in question from my point of view. How can you say that an organization who's leader J. Edgar Hoover isn't? J. Edgar Hoover was able to stay as the head of the F.B.I. till the day he physically could not make it to the building named after him. Hoover kept his job for all those decades do to the fact that he had the F.B.I. behind the scenes investigate everyone in Washington and their families. Washington corruption was afraid to fire Hoover. Hoover was also a closet queen. He was a cross dresser and when not having meetings, he would parade in his office in ladies underwear. This is fact. That same set of corrupt politicians have handed down in time the knowledge it takes to stay untouchable and in power. Novembers election this year is a make or break moment in our nation. If the evil, degenerate Washington Swamp Monsters are not driven from our shores we will be no better off than Cuba or Venezuela. When you have a sack of crap like the Pelosi's looking down their nose at the people who pay their salery you need to rethink the issue. One happy thought was when Pelosi made a surprise appearance in New York City at a music venue she was met with BOO'S! That is really funny when a left, liberal, degenerate sack of crap is booded by the citizens of a Liberal Crap City. May God save our nation and allow us the opportunity to arrest and put on trial the tresonous bastards that have betrayed their oath of office. Then if we can take the house and senate we might just have a nation Trump can repair.
