**WANTED FOR TREASON  
 AGAINST AMERICA AND  
 HER CITIZENS**

Here is another traitor to our country  
 sleeping with his Meth Pipe. This  
 traitor learned from his father and  
 uncle how to play the game and make  
 lots of money and be beyond the law  
 that would have put any of the Trump  
 children behind bars. Helped his uncle  
 and father make millions of dollars  
 from foreign enemies of our nation.  
 The media has help in the treason he  
 and his family has been committing  
 for decades. Yep, this piece of turd  
 did not fall far from Diaper Joe  
 Biden's well filled diaper. If you ask  
 the queer Karine Jean-Pierre she will  
 tell you that Hunter Biden can do  
 business with anyone he chooses, he  
 is a private citizen and has that right!  
 Does not apply to any Trump.

**PRAYER**

A Novena to Saint Jude and the Sacred Heart of Jesus: May the Sacred Heart of Jesus be adored, glorified, loved, and preserved throughout the world, now and forever. Sacred Heart of Jesus, have mercy on us. St. Jude, worker of miracles, pray for us. St. Jude, help for the hopeless, pray for us. Say this prayer nine times a day, by the 8th day your prayers will be answered. Thank you. St. Jude for interceding for me.

This nation needs this more than ever. We are in times where evil VS. good.

**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

Igor Danchenko, who played a vital role in creating the Steele dossier, has been indicted on five counts of lying to the FBI. What a joke the the corrupt F.B.I. is going to throw him under the bus! The corrupt F.B.I. was on board with the hoax. Led by James Comey, former Director of the F.B.I. was in on this hoax and knew that it was all a lie to take down Donald Trump. The hypocrisy on the part of the F.B.I. and the traitor James B. Comey and the rest of the left in Washington D.C. in beyond belief. The F.B.I. was paying for and offered \$1 Million dollars if Trump could be set up for indictment. These are facts and if the Sheep in this country don't get their woke asses to accept that fact and vote all the corruption out of Washington on both sides of the isle we are doomed. The next election in November will decide the fate of our nation. The WOKE piss pots that the "Everyone Gets a Trophy" crowd has brought this about. The degenerates that want to be able to change your child's gender behind your back need to be indicted and imprisoned for child endangerment. The Atheist and the LGBTQ are behind this evil that in a very short time has put our nation in position to fail. That has been in place for the last 45 years that I personally had knowledge of. When you allow evil to speak their lies as truth and say or do nothing you are also the blame. If the corruption on both sides of the isle are not removed from office and held accountable we might as well kiss our way of life goodbye. The Pelosi's and Schumer's want to turn our country into another socialist or communist shithole. They look down their noses at us. Next time they look down I want it to be looking at the hangman's noose.

# We are BACK!

Igor Danchendo is being tried for lying to the F.B.I. 7 times over the Steel Dozzier!

Yes, James Comey knew it was a fake dozzier and still presented it as truth. The F.B.I. have to cover their involvement!
