**WANTED FOR TREASON
 AGAINST AMERICA AND
 HER CITIZENS**

Adam Schiff, Congressman from Ca.
 Lied about all the so called evidence
 against President Trump and the
 Russia lie that was purchased by
 Hillary Clinton. Even when pressed
 for an explanation when the proof
 came out and exposed the lies he
 still looked the citizens in the eye
 and stated that he still has the evi-
 dence against Trump and he and the
 January 6th committy will be pushing
 to have charges put against Trump
 and have him arrested for treason.
 Schiff is a traitor and needs to be
 arrested and punished for treason.
 He is out to destroy our nation.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"

Hello and welcome back from your Christmas and New Year's adventure! Now back to the issues at hand. We have a corrupt group of anti-America politicians that are out to destroy our nation before the elections in November 2022. Diaper Joe Biden is only a figure head. He doesn't actually make policy or have any control in Washington. I truly believe that this is Obama's 3rd term in the White House. None of the TV News Stations are actually brave enough to call it what it is. They spout off about how the nation is being ruined through stupid choices made by the left. Actually the truth is the left is not making bad choices they are intentionally making these choices to bring about our destruction. There was an interesting point that was brought up by on commentator on OAN. If the Republicans can take back the House and Senate in November 2022 they can actually appoint a new Speaker of the House. They have the legal ability to appoint or vote in anyone they choose, even from the outside. The person doesn't have to hold elected office they can be anone outside of the Washington Swamp. Here was his proposal. Get rid of Nancy Pelosi. Then they can vote in Donald Trump as the new Speaker. At this point they can gather all the evidence against Diaper Joe Biden and his Jamaican Ho, Kamala Harris and impeach both of them. Once this has been accomplished. Trump will now, since he is 3rd in line, President. This law and procedure is in the place and needs to be done immediately to save our country. In all my years watching so called leaders, the only man who is tough enough to reverse the spiral into hell is our 45th President, Donald J. Trump.
