**FROM THE EDITOR!**  
**"UNSPOKEN THOUGHTS"**

I was hearing on the local news that San Bernardino County is over run with illegal Pot Farms! Ding, Ding, Ding! No Shit! The Sheriff's Department is searching for new illegal grows and needs your help to spot them! News Flash! Stevie Wonder can spot a grow from 1,000 yards at midnight with a heavy fog rolling in! I have attended a couple of the meetings that were held at the Moose Lodge in Lucerne Valley in the last few months. In attendance were the county representatives, Sheriff's Department and some State Officials that did a lot of chest pounding and saber rattling! What a joke!! I asked them several different questions and all I got was the typical answers that meant absolutly nothing. I raised several points that I felt were important to ending this on going piece of ridiculous pretence which is so obvious that it does not deceive anyone. The problem came from the Gov. Jerry Brown, Gov. Gavin Newsom, the State Senate, the State Assembly and the State Treasurer. The Pot Farmers were not the ones who wrote the law with all the loopholes. The State Treasure is laundering the money collected on the licenses for the dispensaries, the tax collected on sales of medical marijuana. These funds can't be deposited in a FDIC Bank because marijuana is illegal by Federal Law. Therefore the funds that they take in need to be laundered though some other facility. This my friends is a felony offence. The powers that be are just as responsible for the continued growth of illegal marijuana farming. When confronted with these facts, they simply repied that I did not understand the "BIG PICTURE"! I do, they will not arrest anyone of the Left involved in this!

Why is it the Government always tries to hide the truth from the public?
