PETS

IZZY PET CARE
 Personalized in home pet care
 Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

I am in agreement with Senator R. C. Soles, a Democrat from North Carolina. We need more gun control. We need to make ownership of firearms more difficult. We need to do away with an armed civilian population. I really think we need to follow his example!

Recently the Senator's house was broken into by a criminal with intent to rob or do bodily harm to the Senator and his family. The Senator did not call 9-1-1 for the authorities to come and deal with this life threatening situation.

He pulled out his firearm and quickly took care of business. It really cracks me up when the Politicians have the "Do as I say, not as I do!" attitude. Why is it that everyone in Public Office feels that they have the right to protect themselves and their families, and we are to huddle in a corner hoping that the Police will get to our house in time to stop the "Bad Guys!"

This week the Dept. of the Army really stepped over the line, in my own opinion, when they listed Catholics, Evangelist Christians in the same category as the Muslim Extremist. Does anyone other than myself find this outrageous? Why are we sitting on our hands and allowing Morons to insult us. Why are we letting a small handful of Idiots get away with this type of "In your face" behavior? Have we really gotten to the point that we are as spineless as they perceive us to be? Then we sit and wonder why a country like North Korea has the nerve to make threats against us. And the beat goes on!

Maybe one of these days we will wake up and realize that our freedom is now a distant memory!
