IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

I would like to thank the individual who called in for bringing to my attention the problem at his son's school. I will be contacting you in the next week or two and see what might be done to resolve this terrible issue.

This week in the news, we are being informed about attacks on our citizens with deadly outcomes. The officials seem surprised, and law enforcement is scratching their heads. With the number of inmates that are being released into our cities and neighborhoods is not in our best interests. The correctional system is declining and with all the money wasted on making sure that inmates are treated better than the citizens who are footing the bill for them. The "Powers That Be", choose to miss inform us on the true nature of the criminal element that is invading our streets. We were told that low risk inmates were going to be released. I would like to know what their definition of low risk is. Who in the world is sitting at their desk deciding who to release and who to keep locked up? We need to demand accountability of this person or persons. When one of the newly released inmates robs, rapes, murders one of our citizens, they need to be held criminally liable. They need to be arrested and charged as being an accessory or an accomplice in the crime that is committed. Lock them up, put them on trial, and then release them into the General Population. Let them hug a pillow in the corner of a dark cell, crying and sobbing like the low life scum they are. If it were their family members being attacked, they would sing a different song. Let "Governor Brown" and his boot lickers in Sacramento take this scum into their neighborhoods, better yet, into their homes. Now that would be true Justice!

I would like to hear your thoughts 760-298-0902
