IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Prince Harry visits New Jersey escorted by the Gov. Chris Christie, I don't think the boy will get in trouble there. O. J. Simpson looking to get a new trial in Nevada, poor guy has been through the ringer. I don't think he robbed anyone, anymore than he would kill someone. Angelina Jolie, had surgery to hopefully not get cancer. The I.R.S. intimidates conservative groups, Obama and Holder had nothing to do with it. The Hispanic population is on the rise with leaps and bounds. Last but not least, I think I have a rash that just irritates the hell out of me. These are the main topics on the evening news, well my rash did not make it so I guess you don't need anymore details on that! With all the crap that makes it to prime time news, it is no wonder why the younger generation is dumber than three day old mud! Government does more and more thinking for you, decides what you will eat, and how much you should pay on almost everything. Why can't more people come forward and demand an explanation from our officials. Why do we just sit on our rear ends and allow such stupidity to rule our lives? We have become so socially conscious and politically correct that we buy into the hype, we might as well be wearing blinders. Everyday we allow our brains to be bombarded with propaganda and think that if we choose to have a different point of view we will be chastised by those around us, whether it be at the work place, or at home. The day of the individual is quickly fading into a distant memory. We are now on the same level as ants or worker bees. We work ourselves into early graves for the good of the hive or colony. When we finally drop dead from our toil, eventually they will pass a law that to dispose of the bodies, maybe turn them into food bars. Soy lent Green.
