IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

A shout out to the Lady who called in, thanks for reading my thoughts! This week the tragedy that struck in Oklahoma is a real heartbreak to many families. I can only imagine their grief. What really bothers me is that the media idiots are ignoring the fact of the lives that were lost and getting on the soapbox about Global Warming. The tree hugging pagans are really a wonder. Don't they ever think with anything other than their buttocks? The earth is changing, as it has for Billions of years, so I recommend that they get used to the fact. One idiot I heard said that we are the planet's caretakers. I would like to clue you in, Mother Nature, our earth is not owned or controlled by any of us. She has a mind or will of her own and will "PISS WHERE SHE PLEASES!". We have no more control over the environment than we do the Galaxy or the Universe. There were species on the earth, millions of years before us, and I'm sure, that there will be many more long after we are gone. Our existence can only be traced back around 4 million years and that is just a blink of the eye when it comes to time. We have always been so self righteous and through our teachings ignored a story of a grander scale than our own. We create devices to destroy one another, flex our muscles to impress the weak, and then with a mighty roar fall on our ass. Politicians are using these tornadoes to grand stand and look important. They feel that this tragedy should not go to waste. There are votes to be had and money to blow. A good disaster should never be allowed to be what it is. We also should be ashamed, we the people are the ones that allow this type of behavior.
 Shame on us.
 God bless the fallen and lift them to Heaven.

I would like to hear your thoughts 760-298-0902
