IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Well another Holiday has passed, and I am sitting here trying to think of a topic. I guess that I am a little brain dead. Listening to talk radio to find a topic is not proving out. Most of what I hear is just revisiting old topics that the radio hosts are trying to give a new spin. Everything from child molestation by priest to amnesty for the illegal residents. The one that really stands out for me is the newly found money in the California State's Coiffers. I remember just a short time back when Brown was on the soap box pushing for tax increases. Not all, but most of the citizens in this state fell into believing his line of crap. Now that it is looking like a surplus, anywhere from \$1.2 Billion to over \$4.2 Billion. My question is what will this new found money go to? I really don't think that the politicians in Sacramento are going to do the smart thing. I believe that they will piss away every Nickle until we are in the hole again and being asked to vote on more tax increases. I realize that it takes money to operate a government. That is all well and good, but does require someone to keep the Fox from eating all the chickens. My issue is that most of this new money will get sent down the stream to feed programs of individuals that don't bring anything to the table. This money will go to raises in pay to state employees and the Unions. I think that by the end of the year, we will be broke, or close to it. Next issue is the new e-cigarettes, the politicians are looking to ban them from all areas where cigarettes are prohibited. I think that if you follow the money trail on this one, the ban is more than likely funded by the tobacco companies. I do understand that a nonsmoker has difficulties with the odor of regular cigarettes, but these new e-cigarettes are odorless. Tell me your thoughts!

I would like to hear your thoughts 760-298-0902
