IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

 "UNSPOKEN THOUGHTS"**

Boy it sure got hot quick!!! Not just the weather either! Washington is heating up over the abuse of the I.R.S. and the lack of honesty from our U.S. Attorney General. Obama is dodging bullet, Holder claims no knowledge of any of the agents activities. Holder also said that he had no knowledge of the wire taps. That is really great, he has no knowledge of taps on reporters phones yet he signed the order. Well for a moment, let pretend that he is telling the truth. Perhaps the stress of the job is affecting his memory. The stress is to much for him to deal with, and he just can't remember details. You think that maybe he should resign? We sit on our hands and do nothing. We allow the corruption in our Government to run amuck and say nothing. I.R.S. is nothing more than organized crime. They can completely violate your rights and no one holds them accountable. One Senator is pushing to shut down the I.R.S. and go to a flat tax rate. This is something that we have been needing to do for a long, long time. Most of the people alive right now paying taxes are to young to remember that the Federal Income Tax was to be a temporary tax to help pay for World War II. When the politicians saw how easy it was to keep this tax in place and continue to make up great stories to justify keeping the tax, it became permanent. It is a Ponzy Scheme to beat all schemes! Here in the U.S. to pay tax is voluntary, once you start you can't quit. Most people are not aware that you signed this agreement with our Government when you took your first job as a teen. This happened when you filed out your first W-2 Form. Our Government considers this a legal binding contract, even though it was with a minor. Contracts with Minors are illegal in any other business transactions in our country.
