IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard some-times to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 It has been 237 years since our forefathers signed The Declaration of Independence. I look at us and the world as it is today and wonder what kind of a stern lecture they would have in mind for us. How dare we take the gift they created for us and mutate it into an abomination. Did not the blood that they shed to insure freedom mean anything to us? To turn our backs on our moral values and to allow a corruption to take hold that has never been witnessed before? To allow individuals to brow beat us into cowards? To go with the flow as to not make waves? I think that they would sit down, shed a tear, take a deep breath and then drive us from this land that they loved so dearly. We should be ashamed at what we are doing to this nation. We have become so intimidated that we hide in the corner and allow less than 1/10th of a percent of the population rule over us with an Iron Fist. It is not just the liberals that I am talking about, it is every one in government that has twisted it into a money making machine for their own gain. They have us apologizing for things that happened over 40, 60, 80 and 100 years ago. I work hard everyday to improve my life. I refuse to accept the proposal that I am to work harder to support some piece of pond scum that is laying in bed, drinking or drugging all day long. I am all for lending a helping hand when needed. I am not for supporting you and your 9 kids by 7 different fathers, they are not my problem. I don't feel obligated to share my meal with an individual who won't work. I will not have a government dictate to me what I will do with my hard earned money. I will not allow corruption to take away my security that I earned with blood and sweat. You need to look in the mirror and see if you have MUD ENOUGH to fight and save our GREAT NATION!
