**IZZY PET CARE**  
Personalized in home pet care  
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard some-times to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**

I would like to thank the large number of callers that responded to last weeks editorial. One in particular was a lady that said it brought a tear to her eyes. I am humbled.

This week I heard on talk radio that 30,000 Prisoners in the California System were going on a Hunger Strike! Well since I am such a humanitarian, I say, LET THE BASTARDS STARVE! Some how the Liberals, Courts Included, think that the prisoners are treated harshly and unfairly. Since that is their opinion, let them take some of the early release prisoners (Jerry's Kids) into their homes and see to their needs. Let them sleep in the room next to your children or grandchildren. Share a laugh or to and maybe sneak them a beer when no one is watching, after all, they are human beings and deserve to be treated as such. Maybe they will respond to kindness since they were treated so poorly as children. Maybe hold hands at the dinner table thanking God for allowing you to share your home with your knew guests! Then in the middle of the night when you hear a noise, it is just them sneaking to the kitchen for a midnight snack. Heaven forbid, that they would be retrieving a carving knife so they can slit your throat and then have their way with your women and children. There is one whack job that the Courts have actually said in sane enough now to release back into society. He was criminally insane, and by miracle is now fit to join in society as a productive member. His offense was the violent rape of 40 women. That's what I want to see walking the streets. We allow spineless Liberals to make excuses for these Bottom Feeders. We are allowing the wicked to go unpunished for crimes that were inflicted on innocent individuals. What a bunch of Idiots we have become! Call Me!
