IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

And the beat goes on! Obama, now, thinks that it is his job to identify with the slain T. Martin. He addressed the nation to inform us that he could be that young man 35 years ago. Such a touching moment. Now the reality check! If Obama would focus on the job that his office requires him to attempt, we might have jobs. If he would put in a little effort and quit trying to touch our hearts, we would be better off. He has a pompous attitude, maybe a bit arrogant, and now we see his other side. I am starting to think that he is a bigger media whore than the joke former Mayor of L.A., Villariagosa. I am amazed that with all the protests over the verdict, that he, is not out in the streets leading the way. Or perhaps, the way he keeps working on ways to climb in our pockets, he should lead one of the Bash Mobs. This way he can fleece us up close and personal. This is getting better, with Holder as the Attorney General, Obama would not have to worry about being arrested or prosecuted. After all Holder has the reputation for picking and choosing the laws that he will enforce. And you thought the Mob had Big Brass Ones! Maybe Obama will take another vacation after the dust settles. He is a great one for vacations. Who cares what the costs are. He has the open pockets of the American Tax Payer to foot the bill. I really have second thoughts about if we as a nation will survive till the 2016 elections. We have lost our way, and I doubt that we will get back on track to see our nation prosper again. Most of the jobs that were lost in the last 6 years are never coming back. Big business has learned how to operate with fewer personnel. The only recommendation I have for you is simple. Try to recreate yourself and your life. Don't let the corrupt politicians get the better of you.

I would like to hear your thoughts 760-298-0902
