Personalized in home pet care  
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

 "UNSPOKEN THOUGHTS"**

LMAO!!! Can anyone hope to see a sober moment in the next few weeks? With all the sexual harassment going on in the political system, you need a program to keep up with the players! To be straight forward with you, it was the same lies and deception when I was working in Government as a, lets say, "Baby Sitter"! These bed hopping bastards can't keep it in their pants. They feel that they are beyond reproach. How dare a woman turn them down? If she knows what's good for her, she had better give it up. Makes no difference, married or single. You want to get ahead and advance in your career, you had better play the game. If you talk, I will ruin your life.

Why in the world do we allow this outrageous behavior? We go through the motions to get petitions signed so we can see about getting a recall on the next ballot. We are so damned stupid to play by the rules that these degenerate bastards wrote that keep them in power. We allow a corrupt system to keep telling us that we have to follow the proper procedures. We have to play by the rules, dot the I's, cross the T's and then do "The Hokey Pokey and turn ourselves around", that's what it's all about! I'm not really sure where that last part came from, I think I got caught up in the moment. In truth, that is about how ridiculous it has become. I keep thinking that a Judge or some other God like figure, will stretch out a magic wand and make everything good again. Just keep in mind that we have to ignore the man behind the curtain. He is just a nobody, ignore him. And at that I think the only other thing that I can tell you this week is to

"Take your little dog and go back to Kansas!"
