PETS

IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

If you have listened to the News this week, all we hear about is Filner or Wiener. I think that I have had about as much of this that I can handle! Our system is severely broken, and no fixing it in sight. We will be lucky to survive until the 2016 elections. At that point there will not be anything left to fix. We are heading over the cliff with the peddle to the metal. Our wonderful President is on road trips to attend fund raisers. I wish this pompous idiot would stay in Washington D. C. and do the job that he was elected to do. We see him focusing on fund raisers, getting involved in criminal matters that don't have anything to do with the Federal Government. I hope that the fools who elected him find themselves homeless like the Veterans that are coming home to find no jobs, or futures. All the job reports from the quarterly reports are not accurate by any stretch of the imagination. We are disrespected around the world because we are still strutting like Peacocks. We are letting our nation go down the toilet, and our thought is to just keep pushing the handle. Where is Mike Diamond when you need him. Maybe, we could get him to come and clear our drains and send these low life scum to the retirement they deserve. They could take up residence in the septic tank. They would not notice the smell, it would be just another day for them. I have people ask me what I am going to do to fix this problem. I can tell you in a short sentence. I am not going to do anything, I am only one person. I would need an army of citizens to back me, and we all know that will not happen. People want everyone else to put everything on the line. People like to complain, but don't have the guts it takes to come to the front line and put their butts in the line of fire. Call me!

I would like to hear your thoughts 760-298-0902
