IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

Transgender students will now be able to use the facilities at our schools that were intended for the opposite sex. What in the "HELL" are these "IDIOTS" thinking. I don't think that anyone should be harassed for their beliefs, no matter how far out it seems. I wish that they had this law in place when I was in high school! I can tell you, that I would have gone out and bought a dress! I would have been the biggest swish in school. Most of the guys that I went to school with would have done the same!! To have a shot at the "Girls Locker Room" and no one to tell you that you can't, what a "Dream Come True"! To get to climb in the shower and check out the scenery, what a rush! I think that we have lost our minds on this one. If they are going to put this in place, they or us, are heading for a disaster. Right now they say that it will be alright, and that the students will accept it. The "Boy's Locker Room" is where anyone female is going to get attacked. I don't care how "Butch", "Or Not", the girl is, she will without a doubt get sexually assaulted. Are we really so stupid to allow the degenerate "Bastards in Sacramento" to put this in place? The court system and judges are not screaming out against this? If two juveniles of the same or opposite sexes who are under age are caught in the same bathroom, one or both would be arrested and put on trial. Now with that in mind, we say nothing. Next they will write a law that allows MBL (man boy love) and justify why we should accept it. Next, to have a sexual affair with goats, sheep, chickens? Where will the insanity stop? I am ashamed of where civilization is heading. Stop for just on minute and reflect back in history. This was acceptable behavior in the Roman Empire. Oh yeah, they are not around anymore are they? Call me!!!!
