IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a per woner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

FROM THE EDITOR!
"UNSPOKEN THOUGHTS"
 Once again I would like to thank my readers for calling in on last weeks editorial. It always makes me feel good about the private thoughts that I share with you. I would like to return all your calls and chat with you in the next couple weeks if time permits, the creek don't rise, and the good Lord willing! This last week, I have to tell you that I have not kept up with the news or current events. I don't think that I have missed much. I mean, after all, it has been the same old story for the last 6 years. I actually took time to reflect on my own life, thoughts. and where I am heading. I know some of you will be disappointed that I am not tearing the Politicians and Government a "New Ass"! Instead, I will tell you that you can still have love, peace of mind, and success if you just believe in yourselves. You don't need to win the lottery, or big time at the horse track. I needed to review where my life is at and where I intend it to be this time next year. Most of you know that my wife passed away leaving a empty hole in my heart. I dealt with grief, anger, and loneliness. It was not easy. My step-daughter, who checks on my well being regularly, always tells me to trust in the Lord. She said that everything will be made right, in God's time. I think that as a nation if we focus on true happiness, peace of mind and prosperity the rest of the pieces will fall in place. I ask you to keep in mind that rules and laws written by man are the very things that are taking us down. Look into your own hearts, focus on the positive, and you will see that when the negative forces are blocked from you thoughts you will see more clearly. You will see that your life will improve, your health, and mental outlook. Till this last week, I would have laughed at this thought. I gave it a try, opened my heart and my mind, and God did indeed answer my prayer.
I would like to hear your thoughts 760-298-0902
