**FROM THE EDITOR!  
"UNSPOKEN THOUGHTS"**

With all the to do about the Government shut down that the media is spreading does anyone know what is actually the real truth? Only 17% of the Government has been effected. The layoffs are only the people that are non essential to keeping the machine oiled and moving. The National Parks are closed, but the part I find most amusing is that the same agency is out putting up saw horse blockades at the pull outs for scenic spots across the Nation. I thought that we were out of money and that we were in a spiral on the verge of out of control. As I have stated many times, we are allowing Morons to run the Nation. Not one of these Idiots can pour PISS OUT OF A BOOT EVEN IF I PUT THE INSTRUCTIONS ON THE HEEL! Obama is still grand standing with a Press Conference about how the Republicans are holding the Nation hostage. If we continue to spend at the rate Obama would like to see, we as a nation will be bankrupt. None of the really important services have been impacted. Notice that your phone, electric and other services are still working as normal. Truckers are still making deliveries of food, clothing, medical equipment, etc... The Democrats would like nothing better that a riot cause by mass hysteria! These Liberal corrupt Bastards will not be happy until we turn our entire system into a Socialist piece of crap like Europe. If that is what Obama and his buddies want, let them move to Europe!
