**FROM THE EDITOR!  
 "UNSPOKEN THOUGHTS"**  
 First I would like to give a couple of shout outs to a couple of callers. To the nice lady that called and seemed to be a little upset that I had singled out President Obama. You said that the last 3 Presidents were nothing to get excited about, does that include Obama? In my opinion, we have not had a honest President since Thomas Jefferson. To the Gentleman caller, with the issue of Illegals getting the good hours and you and your son get the left overs, I feel for you. I think that many American Citizens like yourself feel that the Politicians have sold us out. How dare we hold them accountable? My biggest moment of disbelief this week was when I saw an interview with Opra Winfrey, she stated "There are still generations of people, older people, who were born and bred and marinated in prejudice and racism and they just have to die for the problem to go away." If I get the meaning right, she is directing that statement to "Only Whites"! My question, in all fairness is, "Doesn't prejudice and racism show it ugly head in people of all colors?" Till I saw this interview I thought give credit where credit is due! Opra worked hard to get where she is at financially and that is something to be proud of. With all her Left Wing Liberal "BS" do you think that she personally would live in an all Minority area in any of our Nations "Hoods"? I think not, because she would be living below her financial level. Opra is also, in my opinion part of that prejudice and racists behavior that she is ranting about. In her statements in regards to President Obama, it is only White Racists that speak out against him for doing a crap job when it comes to fixing our nations jobless issues!
