They hold press conferences and make big statements and rant and rave about the "Left". At the end of the day, they return home to their families, enjoy great dinners and plan their next exotic vacation. We on the other hand rethink our Christmas plans and spending. We now have to plan to put our money into a "Healthcare System" that will not do anything other than force us into a deeper debt. Obama has made 15 trips to California to raise funds for his Democrat
