**FROM THE EDITOR!
"UNSPOKEN THOUGHTS"**

We are now 3 weeks into the new year and what a wonderful start it is. Everything is coming up Roses! You might ask, "Is he Drunk? Is he on Drugs?" no actually with all the fertilizer that comes out of the mouths in Washington, and our State Capitol we should see a "Bumper Crop" of something! I have to say that being a Direct TV Customer, I had a perk FREE Chanel from 501 to 559. I was chanel surfing and came across a documentary by Oliver Stone called "The Unwritten History of America", what an eye opener. It covered G. H. W. Bush, Clinton, G.W. Bush while they were in office and how bad they sold out the American People. It was recorded proof on record that all these corrupt individuals have been taking us down the Prim Rose Path to "One World Order", weither we like it or not. The Media, you know the ones, the Government Controled Puppets, knew this and never brought it to our attention. G.W. Bush wanted to go into Iraq, even before 9-11. In August before the attack, he and his staff had been informed by C.I.A. and F.B.I. that an attack was coming. They just didn't know the details. Clinton had the opportunity to have Osama Bin Ladin hand delivered to us by Saddam Hussein, but Susan Rice, she is the one that would have been Sec. of State, told Clinton to leave Bin Laden alone. 9-11 allowed Bush to proceed forward to go after Saddam Hussein, using Bin Ladin as the cover story. Donald Rumsfeld and the rest of Bush's staff lied to the American People, drug us into 2 wars, attacking a Country that could not attack us with full knowledge this would take us on the road to financial ruin, and one step closer to One World Order. They new the oil prices would destroy the Global Economy, and they went full speed ahead. And we bought into it!

I would like to hear your thoughts 760-298-0902
