IZZY PET CARE
Personalized in home pet care
Hi my name is Isikuri Iniestra (Izzy), as a pet owner I know what it takes to care for ones pets, but with such busy schedules it's hard sometimes to find the time. That's why I'm here to help! As a certified care taker I'm trained to provide all kinds of service: walking, grooming, pet sitting, transport to appointments. My years of experience is not limited to my own pets. I have worked in animal hospitals and in households dealing with a wide variety of different animals. Let me be the one to make your pet happy.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

September flew by like an arrow and the year is about over. Thanks, to all of our politicians, for keeping us in the crap economy we are enduring. The mid term elections are only a little over a month away. I think that after the smoke clears it will be business as usual. I really don't hold much hope for a big change in the political scene. I think that we will be stuck with more of the same, on the federal and state level. I saw on the news that Clinton is dancing around and avoiding the question if she is going to run for President in the 2016 elections. After all, it was promised to her by the Democrats back in 2008. There is a new TV show that is going to air this fall. It is based on a woman Secretary of State. I would like to know if this is a way to promote Clinton and the tough job she face while in that office? Are the writers going to make the Secretary of State come across like a misunderstood "Super Hero", who could have done more if not tripping over impasses that were put in her way by the evil "Republicans"? If they had not interfered with her doing her job, the nation would fully understand her devotion to bringing us closer and closer everyday to that great goal of Socialism. I mean, after all, what a marvelous woman to lead our great nation. I don't buy into any of the garbage that spews from her lips. If she could not keep "Slick Willie and his Pet Snake" under control, what makes anyone think that she is fit to run a nation. I know that I will get grief over my belief, that her and the rest of the elected garbage in our capital are only out to ensure that they and their offspring continue to live "High on the Hog"! Also the threat of I.S.I.S. coming here to kill our citizens is something that I fear could become reality. The powers that be have done nothing to secure our borders. We have no idea if any, or how many, have been able to infiltrate our nation. The reality that we have seen in their brutality should make everyone take a second look and how this all came to be. Our leaders sold us out many decades ago. We are kept off balance and never given the true facts. The News Media keeps us informed on what the Kardashian's are doing rather than tell the truth that we are heading to a train wreck! CALL ME!!

I would like to hear your thoughts 760-298-0902
