with a wide variety of
different animals.

**FROM THE EDITOR!
 "UNSPOKEN THOUGHTS"**

WOW!!! Red Carpet time!! All the celebrities milling around. Media everywhere! I can't believe it! Wait a minute, it isn't Hollywood. It is the "Enroll-A-Thon" for "Obamacare" in The City of Commerce. I could not believe the media interviewing individuals that were in line to sign up. Has the I.Q. really dropped to the point where an individual thinks he has really hit the "Big Time"? One man was so excited, he exclaimed, "I really do feel like I am on the Red Carpet". Obamacare is a joke. It is expensive and will not work. Between the Federal Government and State Government we don't have a prayer. We are closer everyday to going under. We suck up to the illegal's that are here. We are giving them driver license, healthcare and God only knows what else. While we're at it, why not just give them a new car, a house, a boat and the "Keys to the City"! I did get a call from a reader asking about the Government raiding Social Security. Here is what has happened since the late 1960's. The Federal Government has borrowed from these funds that were to never be touched. When they borrowed they said that Social Security had a surplus. They also said that the money would be returned. Can't remember if they were also going to pay interest on the loan. Instead of pay back the money with money, these "Bastards" replaced it with I.O.U.'s. We on the other hand have become "Sheep"! We no longer get in the "Face of the Beast" and demand accountability. The "Crooks in Office" know that they can get away with blowing our money. Never keeping a budget. They spend money on everything except what the funds were to be spent on. To make up for short falls, they just convince us to pay more TAX!
