Hi my name is
Isikuri Iniestra (Izzy),
as a pet owner I know
what it takes to care
for ones pets, but
with such busy sched-

times to find the time.
That's why I'm here to
help! As a certified

to provide all kinds of
service: walking,
grooming, pet sitting,
transport to appoint-
ments. My years of
experience is not
limited to my own
pets. I have worked
in animal hospitals and
in households dealing
with a wide variety of
different animals.
Let me be the one to
make your pet happy.

**"FROM THE EDITOR!
 UNSPOKEN THOUGHTS"**

The Federal Government Agency, Bureau of Land Management, bit off more than they could chew this last couple of weeks. The Fed's rounded up cattle from Cliven Bundy's ranch in Nevada. They were met with armed resistance from Bundy supporters. When push came to shove, the Fed's backed down. The Federal Government spent 3.1 Million Dollars to go after a man whom they claim owes 1.1 Million Dollars. I hear the derogatory remarks in recent years about individuals with "The Cowboy Mentality"! Well it seems that the "Cowboy Mentality" just put manners on a bunch of corrupt thieves from the "Big City"! The real issue is that this desert area has above and under ground water resources that the government wants to control and divert to other areas where they can make a nice profit supplying water to developers. Land is then sold to whom ever with no water rights. Why is it that the corruption in our government is getting bolder and bolder? We are being sold out to every special interest group that has the money to buy these 2 BIT politicians. When they did away with the "Homestead Act" in 1976, the government stole ownership of what was public land. Now it is referred to as "Federal Lands". We as a nation need to rise up and demand accountability, then the resignation of all elected officials and start over. You never see any story about this on the news. The government owns the media and picks and chooses the topics that we are allowed to hear about. If you want to see a little slut like Miley Cyrus shake her ass that's ok. When some one challenges the Authorities they don't want the public to catch wind of it. Rumor has it that Harry Reid of Nevada has a deal through his son with a Chinese Company to build a large solar plant. The land will be sold for much less than it is worth if the government can remove Bundy. It has happened to other ranchers in the past! In ending, when the chips are down and it looks like all is lost, you can count on the Cowboy Mentality to come in and defend your rights. In California, Gov. Pat Brown created the Mojave Water Agency in the late 1950's. This agency stole the deeded water rights off my ranch in Newberry Springs, the courts sided with the State. Call Me!!!
